Next year:

Supporting our partners to make improvements to the canal bridge at Keadby to improve its reliability

Longer-term:

We're improving the line to make services faster and working with Network Rail to reduce the number of foot crossings, which currently mean trains need to operate at a slower speed

Cancelled means the percentage of trains that were scheduled to, but didn't, stop at this station. This does not include trains which didn't stop at this station if the decision was made before 22:00 the previous day.
