

Train performance at Malton railway station

How reliable were train services at Malton station recently?

4-week period from 1 April to 2 May	Train punctuality at Malton	Trains cancelled at Malton
	87.3%	1.9%
North and East Route:	81.9%	2.1%

What are we doing to improve?

Next three months:

Improving the labelling of on train facilities to help customers get to the train door that they need without delay.

Next year:

We're replacing the signalling at York to improve reliability and make train services run more efficiently.

Longer-term:

Completion of the TransPennine Route Upgrade and operating new, more reliable trains.

Chris Jackson, Managing Director TransPennine Express

Punctuality is the percentage of trains that arrived within three minutes of the scheduled time.

Cancelled means the percentage of trains that were scheduled to, but didn't, stop at this station. This does not include trains which didn't stop at this station if the decision was made before 22:00 the previous day.
