

# Train performance at Brough railway station

How reliable were train services at Brough station recently?

4-week period from 7 December to 3 January	Train punctuality at Brough	Trains cancelled at Brough
	76.7%	2.4%
	70.5%	2.9%
	66.0%	0.6%
North & East Route:	73.3%	6.2%

## What are we doing to improve?

**Next three months:**

Work is underway to replace the signalling system in Hull, helping to make the railway more reliable.

**Next year:**

Reduce trespass incidents in Hull by limiting access points, helping keep people safe and trains running smoothly.

**Longer-term:**

Completion of the Transpennine Route Upgrade and introduction of new trains

**Chris Jackson, Managing Director TransPennine Express**

Punctuality is the percentage of trains that arrived within three minutes of the scheduled time.

Cancelled means the percentage of trains that were scheduled to, but didn't, stop at this station. This does not include trains which didn't stop at this station if the decision was made before 22:00 the previous day.
