What are we doing to improve?

Next three months:

Install a new signalling system as part of the TransPennine Route Upgrade, helping trains run more smoothly by allowing signals to be set more quickly and reliably.

Next year:

Improve measures to reduce the risk of vehicles striking bridges along the route.

Longer-term:

Completion of the Transpennine Route Upgrade and introduction of new trains

Chris Jackson, Managing Director TransPennine Express

Punctuality is the percentage of trains that arrived within three minutes of the scheduled time.

Cancelled means the percentage of trains that were scheduled to, but didn't, stop at this station. This does not include trains which didn't stop at this station if the decision was made before 22:00 the previous day.
