

Train performance at Malton railway station

How reliable were train services at Malton station recently?

4-week period from 7 December to 3 January	Train punctuality at Malton	Trains cancelled at Malton
	89.9%	1.0%
North and East Route:	73.3%	6.2%

What are we doing to improve?

Next three months:

Improve how anti-social behaviour is identified to help reduce incidents on our trains.

Next year:

We’re replacing the signalling at York to improve reliability and make train services run more efficiently.

Longer-term:

Completion of the Transpennine Route Upgrade and introduction of new trains

Chris Jackson, Managing Director TransPennine Express

Punctuality is the percentage of trains that arrived within three minutes of the scheduled time.

Cancelled means the percentage of trains that were scheduled to, but didn’t, stop at this station. This does not include trains which didn’t stop at this station if the decision was made before 22:00 the previous day.
