

Train performance at

Manchester Airport railway station

How reliable were train services at Manchester Airport station recently?

4-week period from 27 April to 24 May	Train punctuality at Manchester Airport	Trains cancelled at Manchester Airport
	79.5%	6.5%
 NORTHERN	72.3%	4.0%
 TRAFNIDIAETH CYMRU TRANSPORT FOR WALES	80.5%	3.1%
North West Route:	81.8%	2.9%

What are we doing to improve?

Next three months:

We are supporting Network Rail to improve drainage on tracks in the north west, reducing delays and cancellations caused by flooding

Next year:

introducing enhanced contingency plans to recover from delays quicker when disruption occurs

Longer-term:

Delivery of enhancements as part of the Manchester Northwest Transformation Programme, which will explore ways of reducing congestion through Manchester city centre

Chris Jackson, Managing Director TransPennine Express

Punctuality is the percentage of trains that arrived within three minutes of the scheduled time.

Cancelled means the percentage of trains that were scheduled to, but didn't, stop at this station. This does not include trains which didn't stop at this station if the decision was made before 22:00 the previous day.
