

Train performance at Scarborough railway station

How reliable were train services at Scarborough station recently?

4-week period from 27 April to 24 May	Train punctuality at Scarborough	Trains cancelled at Scarborough
 TRANSPENNINE EXPRESS	88.6%	1.1%
 NORTHERN	89.9%	3.5%
North & East Route:	78.9%	2.8%

What are we doing to improve?

Next three months:

Network Rail will cut back trees and bushes to reduce the impact of delays caused by items falling on the line and autumn delays due to leaf fall

Next year:

Network Rail will be replacing the signalling at York to improve reliability and allow more efficient running of services

Longer-term:

Completion of the Transpennine Route Upgrade and introduction of new trains

Chris Jackson, Managing Director TransPennine Express

Punctuality is the percentage of trains that arrived within three minutes of the scheduled time.

Cancelled means the percentage of trains that were scheduled to, but didn't, stop at this station. This does not include trains which didn't stop at this station if the decision was made before 22:00 the previous day.
