**Next three months:**

We are focussing on successful delivery of large events such as Cleethorpes Armed Forces Day

**Next year:**

Supporting our partners to make improvements to the canal bridge at Keadby to improve its reliability

**Longer-term:**

We're improving the line to make services faster and working with Network Rail to reduce the number of foot crossings, which currently mean trains need to operate at a slower speed

Punctuality is the percentage of trains that arrived within three minutes of the scheduled time.

Cancelled means the percentage of trains that were scheduled to, but didn't, stop at this station. This does not include trains which didn't stop at this station if the decision was made before 22:00 the previous day.
