

Train performance at Cleethorpes railway station

How reliable were train services at Cleethorpes station recently?

4-week period from 22 June to 19 July	Train punctuality at Cleethorpes	Trains cancelled at Cleethorpes
	83.7%	2.9%
	76.7%	5.7%
North & East Route:	78.9%	2.8%

What are we doing to improve?

Next three months:

We are working with our industry partners to reduce the number of speed restrictions in place due to challenges with maintaining the track on the line between Cleethorpes and Doncaster

Next year:

Supporting Network Rail with making technical improvements to the canal bridge at Keadby to improve its reliability, especially in hot weather

Longer-term:

We're improving the line to make services faster and reducing foot crossings, which currently slow trains down

Punctuality is the percentage of trains that arrived within three minutes of the scheduled time.

Cancelled means the percentage of trains that were scheduled to, but didn't, stop at this station. This does not include trains which didn't stop at this station if the decision was made before 22:00 the previous day.
