Improving monitoring and tracking of trespassers through new technology

Next year:

Introduction of a new timetable in December 2025 on the East Coast Mainline which will allow services to run more efficiently

Longer-term:

Completion of the Transpennine Route Upgrade and introduction of new trains

Chris Jackson, Managing Director TransPennine Express

Punctuality is the percentage of trains that arrived within three minutes of the scheduled time.

Cancelled means the percentage of trains that were scheduled to, but didn't, stop at this station. This does not include trains which didn't stop at this station if the decision was made before 22:00 the previous day.
