

Train performance at Yarm railway station

How reliable were train services at Yarm station recently?

4-week period from 26 July to 22 August	Train punctuality at Yarm	Trains cancelled at Yarm
	57.6%	3.0%
North and East Route:	78.6%	3.3%

What are we doing to improve?

Next three months:

Improving the labelling of on train facilities to help customers get to the train door that they need without delay.

Next year:

We'll be replacing the signalling at York to improve reliability and allow more efficient running of services.

Longer-term:

Completion of the TransPennine Route Upgrade and operating new, more reliable trains.

Chris Jackson, Managing Director TransPennine Express

Punctuality is the percentage of trains that arrived within three minutes of the scheduled time.

Cancelled means the percentage of trains that were scheduled to, but didn't, stop at this station. This does not include trains which didn't stop at this station if the decision was made before 22:00 the previous day.
