

Train performance at Manchester Airport railway station

How reliable were train services at Manchester Airport station recently?

4-week period from 14 September to 11 October	Train punctuality at Manchester Airport	Trains cancelled at Manchester Airport
	79.0%	5.9%
 NORTHERN	67.4%	6.6%
 TRAFNIDIAETH CYMRU TRANSPORT FOR WALES	84.8%	6.5%
North West Route:	80.6%	3.5%

What are we doing to improve?

Next three months:

We’re updating how we schedule our trains, so that if one is out of service, we can keep your journey running smoothly with minimal disruption

Next year:

We are implementing a ‘right time starts policy’ with a focus on making sure trains leave Manchester Airport on time

Longer-term:

Completion of the Transpennine Route Upgrade and introduction of new trains

Chris Jackson, Managing Director TransPennine Express

Punctuality is the percentage of trains that arrived within three minutes of the scheduled time.

Cancelled means the percentage of trains that were scheduled to, but didn’t, stop at this station. This does not include trains which didn’t stop at this station if the decision was made before 22:00 the previous day.
