

# Train performance at Malton railway station

How reliable were train services at Malton station recently?

4-week period from 14 September to 11 October	Train punctuality at Malton	Trains cancelled at Malton
	87.6%	0.8%
North and East Route:	76.6%	2.5%

## What are we doing to improve?

**Next three months:**

We’ve set up a working group at York to tackle challenges caused by leaves on the Scarborough line, helping trains to keep running reliably

**Next year:**

Introduction of a new industry timetable in December on the East Coast Mainline which will allow services to run more efficiently

**Longer-term:**

Completion of the TransPennine Route Upgrade and introduction of new trains

**Chris Jackson, Managing Director TransPennine Express**

Punctuality is the percentage of trains that arrived within three minutes of the scheduled time.

Cancelled means the percentage of trains that were scheduled to, but didn’t, stop at this station. This does not include trains which didn’t stop at this station if the decision was made before 22:00 the previous day.
