

# Train performance at Stalybridge railway station

How reliable were train services at Stalybridge station recently?

4-week period from 14 September to 11 October	Train punctuality at Stalybridge	Trains cancelled at Stalybridge
	72.5%	1.1%
	77.6%	3.2%
North West Route:	80.6%	3.5%

## What are we doing to improve?

**Next three months:**

We’re supporting Network Rail on trimming back trackside trees and plants to help reduce delays caused by seasonal weather

**Longer-term:**

We’re continuing to work in close partnership with Network Rail on further steps to prevent vehicles hitting bridges along the route

**Next year:**

Completion of the Transpennine Route Upgrade and introduction of new trains

**Chris Jackson, Managing Director TransPennine Express**

Punctuality is the percentage of trains that arrived within three minutes of the scheduled time.

Cancelled means the percentage of trains that were scheduled to, but didn’t, stop at this station. This does not include trains which didn’t stop at this station if the decision was made before 22:00 the previous day.
