

# Train performance at Manchester Airport railway station

How reliable were train services at Manchester Airport station recently?

4-week period from 12 October to 8 November	Train punctuality at Manchester Airport	Trains cancelled at Manchester Airport
	74.0%	6.0%
	63.9%	4.8%
	78.8%	6.3%
North West Route:	77.9%	3.0%

## What are we doing to improve?

**Next three months:**

We’re supporting Network Rail with their work to improve drainage across the North West to reduce delays and cancellations caused by flooding

**Next year:**

We’re putting improved contingency plans in place so we can recover from delays more quickly when disruption happens

**Longer-term:**

Completion of the Transpennine Route Upgrade and introduction of new trains

**Chris Jackson, Managing Director TransPennine Express**

Punctuality is the percentage of trains that arrived within three minutes of the scheduled time.

Cancelled means the percentage of trains that were scheduled to, but didn’t, stop at this station. This does not include trains which didn’t stop at this station if the decision was made before 22:00 the previous day.
