

WINE LIST

Served after 11am

**The Copper Crew
Organic Wines**
from Puglia, Italy

FIANO

A fruity, lightly tropical organic white with delicate blossom aromas and notes of apple and lychee. Crisp, dry, and beautifully refreshing.

Pairs with: Original Baker Hot Honey Sausage Roll

Why it works: The Fiano is full of fruit and bright citrus acidity, cutting through the fats in the sausage roll and pastry, creating a perfect match and indulgent mouthfeel.

ROSATO

A vibrant, fruit-forward organic rosé with an inviting floral nose. Expect cherry, summer berries, and magnolia with a clean, dry finish.

**Pairs with: Roasted Sweet Potato & Harissa Bowl &
TransPennine Kitchen Sweet Heat Bagel**

Why it works: Bright summer fruit, delicate floral notes and crisp acidity complement the sweet heat and spice of both dishes, creating a fresh and beautifully balanced pairing.

NEGROAMARO

A deeply coloured, velvety organic red packed with black plum, wild berries, and hints of chocolate. Full-bodied yet fresh on the finish.

Pairs with: Slow-Cooked Beef Shin & Pale Ale Stew

Why it works: The wine's intense red fruit flavour stands up to the dish's rich profile. Enjoy the melt-in-your-mouth stew with a smooth and silky Italian red.

BIANCO SPRITZ

A zesty, refreshing organic spritz made from Fiano grapes, offering ripe stone fruit and soft citrus flavours with a lively, bubbly finish.
Light, crisp, and perfect for easy drinking.

Pairs with: Best of the North Cheese Selection

Why it works: The fresh and crisp Spritz, with its cutting acidity, lifts the flavour of the salty and strong cheeses. Cheese and something sparkling is an underrated combination; we think it's pretty great!
