Headings, Symbols and Shading

TransPennine Express services are shown in shaded columns on the timetable pages. When a service only operates for part of this timetable the symbols and notes at the top of each column are also highlighted. For full details of the dates of operation please refer to the notes at the bottom of each page.

Connections

If you need to take more than one train to complete your journey you should plan to allow at least five minutes to change trains. This is known as the Interchange Time.

At certain stations more time is required to change trains. These are generally larger stations and the extra time is required as you may need to change platforms to catch your next train.

Stations shown in our timetables where this applies are:

Carlisle	8 minutes	London Euston	15 minutes
Doncaster	7 minutes	London Kings Cross	15 minutes
Edinburgh	10 minutes	Manchester Piccadilly	10 minutes
Glasgow Central	15 minutes	Newcastle	8 minutes
Lancaster	6 minutes	Preston	8 minutes
Leeds	10 minutes	Sheffield	7 minutes
Liverpool Lime Street	10 minutes	York	8 minutes

When using one of these 'connecting services' the connecting service may be provided by another operator apart from TransPennine Express.

If your ticket is for TransPennine Express Services only it may not be valid on these services.
