# Safety Information

The safety of our customers is the top priority for TransPennine Express. All our trains display customer safety notices which provide details of what to do in an emergency and where safety equipment is located. Please familiarise yourself with this information when you travel. If you do have a safety concern when travelling on our trains please bring it to the attention of the Conductor or write to our Customer Relations Team.

**1** If there is no immediate danger, await instructions from the on-train staff.

**2** Remain on the train, move to another carriage if necessary. If the door does not open automatically, pull the door to force it open.

**3** If **2** is not possible, once the train is stationary, leave through the external passenger doors.

When leaving the train, be aware of other trains, the distance to the ground and the potential hazards.
